DD/S 63-5222

6 DEC 1963

MEMORANDUM FOR:

STATINTL

Doug:

Colonel White agrees to the use of the carpet at one time scheduled for use in the DD/P offices. His only restriction is that because of the expense of this material it be appropriately used and that it not be parcelled out in pieces just to get it out of the warehouse. He has no objection to the material being used in the headquarters building.
